

RFP 2017-19 Vision Plan

Questions and Answers

<b>QUESTION</b>	<b>ANSWER</b>
1. What is the current number of vision enrollments from CoveredCA.com to the existing vision programs offered? Preferably how many were as of December 2017, and how many are as of 2/28/2018 (to understand the recent growth during OE).	1. Total vision enrollment as of 12/31/2017 was slightly over 6,000. Enrollment numbers are reported quarterly to Covered California. The numbers for Quarter 1 of 2018 are not due yet and have not been received.
2. Exhibit A, Attachment 1 is blank – does this mean that plans can submit their own plan designs, and there is not a set of standard vision plans? Sorry to clarify on #2, is a 'no waiting period' still required for the plan designs.	2. Plans may submit their own plan designs; there is not a standard vision design. "No waiting period" is a requirement for vision plans.
